ELIANE REYES @ ENCORE!

December 13 2026 at 17:00

To round off the year in style, Eliane Reyes invites you on a wonderful journey through Chopin's world with a performance of his complete Waltzes.

To open the recital, Sofiia Dubii will perform works by Scarlatti and Brahms.

We are especially delighted to introduce this young pianist, a regular participant in our masterclasses. Eliane Reyes shares our enthusiasm: through her many activities, she encourages and supports young talent every day. As you can see, we are very much on the same wavelength!
